Founder, *Rediscovering Meaning In Our Work*

September 28 - 29, 2018
JUMP Conference Center • Boise, ID

finding-health.com/2018conference

AN INVITATION:

We invite you to participate as a sponsor for our *Rediscovering Meaning in Our Work* Conference on September 28th-29th, 2018.

National studies have revealed that more than half of the physicians in the United States are experiencing at least one symptom of professional burnout.

As physician burnout reaches epidemic levels, physician health and well being is declining and physicians are retiring early or leaving medicine altogether. In addition to these serious consequences, physician burnout is leading to a decrease in the quality of medical care, a reduction in the size of the physician workforce and an increase in the cost of healthcare.

This *Rediscovering Meaning in Our Work* physician conference has been organized to increase awareness about physician burnout and explore current research on the drivers for burnout as well as effective solutions.

We are inviting organizations who are interested in addressing this national crisis to join us as sponsors for this physician well being conference.

We provide our sponsors with recognition for their commitment to this important issue and contribution to this cutting edge educational conference by promoting their organizations in several ways.

In addition, all sponsors are invited to join us for our special evening event on Friday, September 28th, 2018. **During our event, sponsors will be introduced individually and have an opportunity to share information about their unique services.**

We have invited physicians from around the country to participate in this event. In addition, we have invited speakers who present to international audiences as well as

many local speakers. **During the evening event, sponsors will have opportunities to connect directly with physicians.**

We welcome you to bring your families to enjoy the many activities in Boise at this time of year.

We are very grateful to our sponsors, and make every effort to ensure that your participation is a worthwhile investment for you and your organization.

SPONSORSHIPS:

We invite you to participate in this conference by sponsoring at one of our four sponsorship levels — **Platinum, Gold and Silver and Bronze**

Please refer to the sponsorship levels below for details.

To participate as a sponsor, please complete and return a signed contract.
